The squad has a mix of experience and youth with five of the team having won 50 caps or more!

After a successful domestic season, young shooter, Helen Housby has been called up and we welcome back Geva Mentor, fresh from winning the ANZ Championship with Melbourne Vixens.

The 20th COMMONWEALTH GAMES starts on the 23rd July in Glasgow with the Opening Ceremony taking place at Celtic Park, followed the next morning with the first game of the Netball competition between Malawi and Northern Ireland.

England's first match is against local rivals, Wales at 11.30am on Friday morning, followed on Saturday at 9.30am with their toughest match in the pool rounds against Australia, currently ranked No.1 in the world! It is expected that this match will be shown live on BBC, so if you're not able to be at The Games, make sure you're watching TV and cheering on our Team! England's other matches in the pool rounds are against South Africa (ranked 6th) and Trinidad & Tobago (ranked 10th). Wales are ranked 8th.

All matches, apart from the Medal matches are being played in Hall B at the Scottish Exhibition and Conference Centre (SECC) - the arena has been built and the court laid during this last week, and below is a picture of this process – so the first glimpse is exclusively for England Netball Supporters Club!
